ACA|OBAMACARE ANNUAL ENROLLMENT November 1 through December 15

- BEFORE ACA ENROLLMENT** • [Insurance Plan Terms Explained for Real People](#)
- If You Are A Current Pi4U Client**, in November you will receive an **ACA Renew** email. Review and prepare to discuss these new plan options with your Health Insurance Agent Advisor.
- If You Are New To Pi4U**, start considering changes in your health **this year** that may have a significant impact on what you need **next year**. **EXAMPLES** Upcoming surgery? Planning a pregnancy? New medical diagnosis? [Schedule a No. Fee. Ever. Consult with Siobhan](#)

Your Health Insurance Agent Advisor has the resources to help you prepare.

Check your inbox/spam for an ACA RENEW email with link to your personal plan comparison.

“Should I Stay, or Should I Go?” After this assessment, you will be more confident with your decision to either stay with your current plan or change to a plan that better suits your needs.

- REVIEW OPTIONS and DISCUSS PLAN CHANGES with Your AGENT ADVISOR**

-- IMPORTANT CONSIDERATIONS --

- Are your physicians and preferred hospital in the plan network?
- Did you receive a diagnosis this year that significantly changed your needs for medical care?
- Do you need **DENTAL/VISION** in the upcoming year? If it has been more than two years since you had Dental/Vision exams, review [Dental/Vision](#) options now. Enrollment is **not** limited to the ACA Annual Enroll Period and plans start 24 hours after enrollment.

Within The First 2 Months On A New Plan

Schedule an appointment for your **Annual Wellness Check-Up**. *This is especially important if you changed your Primary Doctor and/or Specialists.* A preventative care visit is better than an initial meeting when you are in medical distress. If you don't 'click', you have time to change doctors.
